NEIGHBORHOOD MURAL TOUR

Edgewater (Walking Tour)

Neighborhood Mural Tour

Green Star Movement inspires students and community members through the creation of public art.

We serve 1600+ students annually with our bricolage mural arts program and we have transformed 70+ public spaces in Chicago and abroad.

What is bricolage? Bricolage murals combine tile and mirror mosaic, sculpture, painting, and photographs to create dynamic, visually-stunning art. Bricolage mosaics are resistant to vandalization, incredibly durable, and an accessible art form for people of all ages and abilities making them perfect for community-created public art!
